

3RD ANNUAL SUMMER CAMP FOR MIDDLE SCHOOL STUDENTS

Eight unique summer camp programs taught by our industry expert instructors to be offered during the week of July 8-12, 2013 from 8am-12pm at Concord High School. Enrollment is open to age appropriate students entering the 6th, 7th or 8th grades. The following camps will be offered on a first-come, first-served basis for \$80 each

"Auto Mechanic" - "Lift" your skills

Campers will learn basic techniques related to auto repair in a controlled, safe environment. Work on some used engines to learn the basics of combustion. Learn from a master mechanic.

"Baking Bites" – Sweet times in the bakeshop

Campers will have the opportunity to see what it is like to be a pastry chef in a restaurant by creating, baking and presenting various types of delicious desserts.

"Building a Tree House" - Elevate you experience

Campers, as a team, will build a "simulated" tree house in our shop. Campers will learn the basics of hand tools usage while creatively designing, collaborating upon and constructing their one-of-a-kind project.

"Creative Cosmetology" - You look marvelous!

Campers will learn basic cosmetology skills in our hands-on, modern salon. They will learn about make-up, skin care, shampooing, blow-drying, thermal styling, braiding, up-dos, manicuring and nail art.

"Summer Sizzlers" – Kicking it up a notch

Campers will have the opportunity to see what it is like to be a chef in a restaurant by creating and sampling various types of tasty dishes!

"Graphic Design Central" - Creative challenge accepted

Campers will learn the basics of quality graphic design. Hands-on computer digital art activities include designing a professional logo using Adobe Photoshop CS6.

"PC Game Camp" - Gamers unite

Campers will discover how a computer is able to play your favorite games! Components like: RAM, Hard Drives, Motherboards, Video cards will be pulled to allow campers to figure out how PC's tick. You will build a computer and network it for the ultimate HALO Tourney!

"Be the Teacher" - You're in charge

Campers will learn how to use the most current technology to teach children in the most exciting manner. Campers will create games and activities with iPads and smartboards.

Scholarships are available for any camper.
